These documents were cited during prosecution of a European patent application corresponding to the above U.S. application. A copy of the European Search Report, which is dated August 23, 2000, is enclosed. In view of this date, it is hereby certified under 37 C.F.R. § 1.97(e) that each document in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement.

The concise explanation of relevance for the non-English documents cited above is provided in the European Search Report. The Examiner is, of course, referred to the European Examiner's comments on the English language documents as well.

The Examiner is urged to study this information in its entirety and to form an independent determination of the materiality of the information to the claimed invention. Additionally, the Examiner is requested to indicate that this information has been considered by initialling the appropriate portion of Form PTO-1449. No other matters being raised, it is believed that the entire application is fully in condition for allowance, and such action is courteously solicited.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office by telephone at (714) 540-
